

GOVERNMENT OF ANDHRA PRADESH
ABSTRACT

Irrigation & CAD Department – Constitution of Command Area Development Committee for review and monitoring of O & M works budget and ayacut development under irrigation projects – Reg.

IRRIGATION & CAD (GENL.IV.1) DEPARTMENT

G.O. Ms. No. 21

Dt: 05-03-2010

ORDER:

Government of Andhra Pradesh has taken number of steps for providing regular operation and maintenance budget to the farmers organization, their capacity building and assessing performance of the irrigation projects for improving the over all agricultural productivity in the State. The seasonal work book methodology is being implemented for regular evaluation of the previous season performance and planning for the next season.

2. The project wise proposals for operation and maintenance as discussed by the farmers organization and engineers concerned are being received at Commissioner, CAD for Category A & B through computerized Work Tracking System. Additionally, proposals are sanctioned at respective Chief Engineer level for O & M works / deferred maintenance that should be covered under B Category. It is necessary that all these proposals are verified to ensure that the necessary operation and maintenance works and deferred maintenance works are taken up under Category A of tax re-plough and other plan and non plan grant normally classified as Category B.

3. A Quality Control process has been established by the Government to monitor the quality of the O & M / deferred maintenance works executed. There is a need to review that the quality control process is being followed as issued by the Government.

4. After careful examination of the issue Government hereby constitutes a Command Area Development Committee to scrutinize the project wise budget availability, plan and non plan, rationalize it as per the need, review the proposals received and approval of the annual action plan of operation and maintenance and deferred maintenance in each of the project that would include tax re-plough, Category B and other plan and non plan grant with respective Head of the Departments. In addition the committee shall also monitor periodically the quality control being carried out, ayacut development, transplanted area etc., of the irrigation projects under Major, Medium and Minor Sectors.

The Committee shall consist the following members.

- | | |
|---|----------|
| 1. Engineer-in-Chief (AW) | Chairman |
| 2. Chief Engineer, CDO | Member |
| 3. Chief Engineer, CADA | Member |
| 4. Engineer-in-Chief/Chief Engineer concerned | Member |
| 5. Executive Engineer, CADA | Convener |

The Committee shall meet regularly and link the operation and maintenance budget expenditure to the performance of the each project. The ayacut created and stabilized under new projects shall be updated periodically.

: 2 :

5. The Engineer-in-Chief (AW) is requested to take necessary action accordingly.
